## Best Wishes

On behalf of the City of Edmonton, it gives me great pleasure to extend congratulations to the Edmonton Optimist Club for the presentation of their "Hootenany Sing Out".

The staunch efforts and good works of the Optimist Club on behalf of our young people are well known to the City: they are deserving of our wholehearted support. Our best wishes for success in this and all other ventures in the future.

# Kopala Trio

The Kopala Trio strives always for originality in musical sound. The melody and lyrics of a song usually cannot be altered, but the harmonic arrangement can be changed. The Trio, which for certain songs uses quartet settings, applies this basic musical principle to their repertoire as a means of achieving a different sound.

Recent press releases indicate that the group has "... up beat, bouncy music" and to these faster numbers they add their own special treatment of slower songs. One writer for "The Edmontonian" praised the group for its "... rich, full-toned sound". This kind of sound, contrary to what many people think, is not easily attained. The Trio rehearses weekly from three to five hours, and sometimes they say it is almost like work. But rehearsal time is generally enjoyable and the long hours do bring a reward: audiences are most pleased with the musical experiences presented to them by the Kopala Trio.

The members of the Trio are Donna Warner, Lou Carmichael, and Garry Carson. Garth Worthington plays Bass and arranges the music.

# The Merrymen

The Merrymen ... Richard Chernesky, Gary McRae and Jack Walls have been together formally for almost two years. Rich, who is from Calgary, sings lead and plays the classical guitar, Gary, from Port Coquitlam, B.C., sings bass, plays the Conga and is noted on stage for his dialect stories. Jack, who is also from Calgary, sings tenor, plays the quadrille and does the musical arrangements.

The boys have had a really good time in a short career which has seen them singing in Coffee Houses and Night Clubs and Concert Halls from Halifax to Orillia to Calgary.

Tonight is their farewell performance as all three are graduating from U. of A. in Dentistry this spring and going their separate ways regrettably because it is obvious that the Merrymen enjoy folksinging ... and have fun entertaining together.

# Joni Anderson

Joni Anderson's interest in Folk-Music began last winter while working in the Louis Riel Coffee House in Saskatoon. Here, while listening to the entertainers on and off stage, Joni decided that she wanted to be more than just a passive folk-addict and in March purchased a ten dollar ukelele. A month later she bought the baritone uke and at the present time plays a classical guitar. By August of the year, Joni's accompaniment, although still very elementary, was sufficient for her to be asked to do a half hour T.V. show in Prince Rupert. Joni says, "My Mother was mortified, my Father indifferent, while I was petrified."

Besides playing in Saskatoon, Joni has played in Calgary in the newly opened Depression. Here, she feels is where she really began. Her accompaniment took great advances under the guidance of fellow singers and her voice developed greater power. She has played in several Allied Art Centre Hootenannys sponsored by CFAC, the U. of A. Hoot, which was video-taped, private banquets, at the Press Club, a local hotel and is now at a new club which has opened called the "Folk and Blues". While in Edmonton, Joni has played the Yardbird Suite and expresses her thanks to the very appreciative audience found there.

# Vern Ray

VERN RAY is, considering that Folk Songs have reached a peak of popularity only recently, an old-timer at the game, having been performing Folk Songs in and around Edmonton for the past ten years. During his years as an announcer at CKUA, he ran a popular Folk Music Program called "Stories in Song". Now a holder of a B.A. from the University of Alberta, he teaches English at Victoria Vocational High School, with most of his spare time devoted to singing and carrying out the duties of Program Manager for the Folk Music Society of Edmonton. During this season, Vern has frequently teamed up with one of the new "Names" in local Folk Singing, Shauna Dorskind, a medical records librarian at the University Hospital.

# The Hermits

Its been awhile since something new has appeared on the entertainment scene here in Edmonton ... Here now is a new group, destined for great things in the future. They are; Mike Dorsey, Baritone and Guitar, John Childs, Tenor, Bob Eleniak on the Banjo, Mike Hogan, 12 -String Guitar, and last but not least, the fellow whose picture does not appear here, Ernie Kassian on Bass. This then is The Hermits! New faces? Not really. You probably recognize most of the boys from other groups they've been with here in town. Bob Eleniak, formerly of Billy Warwick's Jeffery Howard Singers, started forming a new group shortly after that one broke up. At that time, Mike Dorsey of the Topsy Trio, John Childs of "Pearl and The Boys," and Mike Hogan, who may be found at any given time, at the Yardbird Suite, were all free and raring to go. Then, a short while ago, Ernie Kassian, on Bass, added his musical talents to the group. This all started a few months ago, and the fellows make their first appearance as a Group here, tonight. You're bound to see a lot more of them in the future ... The Hermits.

## The Patmac's

The "Patmac's", consisting of Pat Hughes, Carl Peterson, Brian Forester, and Irene Ball, are a recently formed group with an Irish-Scottish flavor.

Pat came to Edmonton from Dublin, Erie in 1954. Many of his folk songs were learned in the wartime R.A.F., and bush flying in the N.W.T. His biggest disappointment in life is that he has to sing Irish tenor songs in the bass clef.

Carl, who was born in Greenock, Scotland, came to Canada in 1961 and he brought with him a repertoire of folk songs. He formed "The Park Lane Trio" in Fort William, where they performed on radio and at hootenany's. After coming to Edmonton, he sang at the Yardbird Suite. There he met Pat, and the two became the original "Patmac's".

They were later joined by Brian, who began his folk singing career with the "Rover's Three" at the Lakehead. The group appeared numerous times on television and radio. His job brought him to Edmonton where he joined Pat and Carl.

The three boys are happy that they have been joined by Irene, of Edmonton. She became a member of the group after meeting them at Boyle, Alberta, where they were entertaining at the A.C.T. Search for Talent Show. She is presently a student at the U. of A.

## The "Cellar Dwellers"

The "Cellar Dwellers", Corinne Thorsell, Lloyd Malin, and Barry Cooper, have been together as a folk singing trio since March of 1963.

Barry and Lloyd had been singing together since the summer of 1962 and teamed up with Corinne in response to a request from a local teen organization. "The three of us liked the sound," recalls Lloyd, "and so, we decided to stick together". "We called ourselves the 'Voyagers' but due to our exams and then our different summer jobs, we made only four or five appearances under that name." added Corinne. However, with the coming of Fall, the Group decided to have regular weekly practices and to change their name to the "Cellar Dwellers", comments Barry, "but it would have no appeal if we weren't enjoying ourselves besides."

When asked about the future, Corinne concluded, "Well it lies ahead!"

With this unbridled enthusiasm for incentive we certainly wish Corinne, Lloyd, and Barry, the "Cellar Dwellers" the best of luck in the future of folk singing.

## The Optimist Creed

*Promise Yourself . . .*

- To** be so strong that nothing can disturb your peace of mind.
- To** talk health, happiness and prosperity to every person you meet.
- To** make all your friends feel that there is something in them.
- To** look at the sunny side of everything and make your optimism come true.
- To** think only of the best, to work only for the best and expect only the best.
- To** be just as enthusiastic about the success of others as you are about your own.
- To** forget the mistakes of the past and press on to the greater achievements of the future.
- To** wear a cheerful countenance at all times and give every living creature you meet a smile.
- To** give so much time to the improvement of yourself that you have no time to criticize others.
- To** be too large for worry, too noble for anger, too strong for fear and too happy to permit the presence of trouble.
